the Dewan of Mysore.

Sir,

I have the honor to lay the following before you for consideration and disposal. The enclosed original manuscript copy of Proceedings No. 2219 / L 321 dated 9th May 1892 was forwarded in the usual manner to Press to be printed. I objected to accept the copy as it was not prepared in accordance with Government order as per instructions laid down in Circular Memorandum No. 5650-87-Circular No. 209 dated 10th August 1891 and issued by the Chief Secretary to all Heads of Departments, and therefore returned the manuscript

ditto

with a slip drawing attention to the Government order about the preparation of manuscripts for the Press and requesting that the procedure laid down in the Government Circular might be followed. In reply to my slip I received the enclosed Memo returning the manuscript copy to Press.

2. I regret that I cannot decipher the name of the Officer* who has written the Memo, but I would beg to point out that the writer of the Memo appears to be under the misapprehension that he is at liberty to criticise a Government Order and at the same time to express an opinion offhand that in acting as I did in drawing the Government Order I was not justified in my action.

* Mr Paramasivam per Mr K

3. I submit that my action is in keeping with the order of Govern — No. 5650-87 of the 10th August — and that I am strictly within my rights in returning manuscripts sent to Press written on both sides of the paper. I beg therefore you will be so good as to give orders for the preparation of the manuscript of Proceedings No. 2219-20 / 2321 dated 9th May 1892 in accordance with the ruling on the subject, and that you will take any other steps you may deem necessary for the prevention of a recurrence of the subject Complained of in view of work being expedited.

To

The Chief Secretary
to the Dewan of Mysore

Sir,

Referring to Official Memorandum No. 3833–4/2350 of the 9th September 1892, I have the honor to bring to your notice that the papers forwarded therewith have not been prepared for Press in accordance with Circular Memorandum No. 5650-87-Cir 209 of the 10th August 1891, subsequently emphasized by the issue of Memorandum No. 4660-8-2570 of the 11th June 1892. The Proceedings of the Local Fund Board, Shimoga, forwarded with your Memorandum under reference, are not only written on both sides, but the paper used is of an expensive class. I have no desire to delay or cause further expenditure of paper by returning the papers, but I deem it necessary to bring

to

to your notice instances when Govern-
ment orders are apparently ignored,
with a view that you will be so good
as to take steps to prevent a repetition.

I have the honor to be,
